CADET COLLEGE FATEH JANG (ATTOCK)

ESTABLISHMENT OF CADET COLLEGE FATEH JANG:

Cadet College Fateh Jang aims to construct the students physical, mental and cognitive capabilities, efforts and approaches. Cadet College Fateh Jang tends to build the personality and character of the cadets involving them into variety of activities, tasks and examinations. The College has provided highly qualified and experienced teaching staff and laboratories which enable the cadets to learn theory with practical and experimentation. Educational and co-educational activities are also arranged for the general knowledge and information as well as entertainment of the cadets.

PIONEER PERSONALITIES OF GREAT IDEALISTIC APPROACH AND HIGH IN PRACTICAL EFFORTS:

PROFESSOR HAFIZ MUSHTAQ AHMED SIPRA:

CCFJ, a Progressive educational and training organization for cadets was founded by Professor Hafiz Mushtaq Ahmed Sipra in 2001. He started his career from Abdullah Haroon School Karachi and he was selected for this post by renowned Poet Faiz Ahmed Faiz. He completed his degrees of Masters in Islamiyat, M.Ed, LLB and M.Phil. in Education from Karachi University. He has served at prominent residential institutions. He had served in Cadet College Petaro and Sadiq Public School Bahawalpur from the years 1981 to 1997. He was requested by Director Navel Education, commodore S.I. Malik to initiate the Bahria Foundation School in 1998. He is took his charge as Founder Manager of Bahria Foundation School chain and established first school in Islamabad. Now, Bahria Foundation School has established 400 schools in all over the country. Cadet College Fateh Jang was projected by Professor Mushtaq Ahmed Sipra in 2000 and this College began its functioning in 2001. Professor Mushtaq Ahmed Sipra was a missionary educationist who dedicated his entire life in the serving and educating the future generations. His untimely death was a great loss for institute. He set down the best footsteps and example of dedication for the successors in board of Governors and Principals, inspired to accomplish his educational mission.

CADET COLLEGE FATEH JANG PROGRESS REPORT:

SAHIBZADA ANWAR AHMED:

Mr. Sahibzada Anwar Ahmed does not only belong to a family of spiritual teaching and saints as Son of Aala Hazrat Lilla Shareef but also excel in the field of education since past fifty years. Mr. Sahibzada Anwar Ahmed acquired his Degrees of Masters in Urdu and Masters in English literature

from University of the Punjab in 1970 and later respectively. He has served in PAEC. Mr. Sahibzada Anwar Ahmed was among the members of Pakistan atomic energy commission and he was retired as Director International Affairs. As a Chairman Board of Governors, Sahibzada Anwar Ahmed took all the tasks and dreams for this Cadet College on his shoulder after the sad demise of Founder Principal Mushtaq Ahmed Sipra. Deep interest, staff's motivations, training and sources built by Sahibzada Anwar Ahmed placed a new step stones for enhancement and betterment of this College.

AIR MARSHAL PERVAIZA NAWAZ, NISHAN E IMTIAZ (MILITARY):

Air Marshal Pervaiz A Nawaz, Former Chairman Civil Aviation Authority, brought new images of discipline, regulations and frames to functionalize the cadets' routine similar to that of soldiers and officers. His addresses and directions have really brought great reformations in teaching training, cadets training, administrative and authoritative subjects of management and various official consultancy and HR. Variety of the resources required for this College are provided and sponsored by his efforts. His services and gifts will always remain guiding and encouraging us to lift the College name in superior lines and lists. Inshallah.

PROFESSOR QAZI ABDUL REHMAN:

The Principal Degree College Attock, Professor Qazi Abdul Rehman, member Board of Governors CCFJ, paid his precious time and experiences to this College. The patterns and procedures introduced by him helped the College academic system. He introduced the systems including academic coordination between cadets, teachers and its counseling between management and parents. We all remember his name with gratifications.

REGARDS:

The students of 6th, 7th, 8th and 9th are called on different days for their entry test. These tests are made right according to their standard books, information and general knowledge. The applying students who pass the entry tests with more than sixty five percent and ore, the College inspects their physical fitness and strength including checking eye side, weight, height, chest and belly, knee knocking compromised but foot lock is not recommended and the running stamina of the students. Moreover, these candidates are called for the general interview.

ACADEMICS AND TEACHING STAFF:

There are twenty teachers working in Cadet College Fateh Jang. We ensure the quality of the teaching staff while selecting them through a proper procedure of writing test, demonstration assessment and interviews. Subjects of sciences like Physics, Biology, Mathematics, Chemistry and Computer, are taught by teachers who are very confident in their lectures, demonstrations, appropriate in experiments and well prepared and known to the functions of their relevant laboratories, apparatus and the maintenance required. Our science teachers possess good experiences, subjective efficiency and are masters and M.Phil. by their documented degrees from authentic universities and organizations. Similarly, teachers of Arts and languages like Urdu, Islamiyat, SSt and English, are all experienced, proficient, skilled and filled with teaching talents. Teachers of Islamiyat and Social Studies are very expert in explaining their topics with references of historical heroes, their actions and guiding material from other books. English teachers are specially assigned to compose and present the syllabus of English language to generate the ability of spoken English in cadets. Weekly English language skill development classes are arranged for all the classes having special focus to modify English reading, writing, listening and speaking efficiency. Cadets are given composed tasks for presentations and conversational practices.

TEST AND EXAMINATION SYSTEM:

Similarly the monthly planned and taught syllabus to cadets is evaluated by teachers through monthly written tests. Teachers use to tell the corrective measurements needed and types of mistakes made by the cadets in monthly tests. The terminal tests are composed right in accordance to the pattern of board examinations and marking upon the same absolutes.

TEACHER'S TRAINING IN CADET COLLEGE FATEH JANG:

The management of Cadet College Fateh Jang remains keen noticing the reformative and innovative changes in the technology and process of teaching learning. The College Management conduct the teacher's training session twice annually. In these sessions, teachers are addressed and lectured by different master trainer, educationists and senior subject specialists. Our teachers are acknowledged by advance and scientific modules and methodologies of teaching their subjects. Variety of the teacher training aspects like role play, individual and collective tasking, collaborative discussion and activity, lecture method, demonstration and presentation methods are delivered and then practiced by teachers reforming and enriching the teaching technique

and method. These training sessions bring theoretical, conceptual and practical perfection in their subject as well as enhance their idealistic and innovative approaches in teaching.

PHYSICAL STRENGTHENING AND TRAINING OF THE CADETS:

PT and exercise, hiking and cross country running, parade and training of the team of guard of honor, sports and games, inter house competitions of every game including cricket, hockey, football, basketball, volleyball, badminton, swimming and variety of indoor games collectively involve the cadets improving and enlarging their physicality, conduct and stamina. These all arranged activities establish the sense of discipline, control, leadership and sportsman spirits. Our cadets have won various sports competitions, tournaments and championship at district, provincial and inter Cadet Colleges levels.

CADETS' ACCOMMODATION, HOUSE SYSTEM AND SUPERVISION:

Cadet College Fateh Jang started its first couple of years with 40 to 50 cadets accommodated in two hostels. The hostels here are called houses which represent the cadet with symbolical colors. The names of first two establish houses were Ayubi and Romi houses in 2001. Ghazali house, Jinnah house, Nishtar house and Sir Syed house were constructed and functionalized in 2003, 2008, 2010 and 2014 respectively. Every cadet is provided a bed to rest, chair-table to study, cupboard to set the usury and dressings in a proper pattern told, trunk (steel box) to keep and safe the extra things and clothes. Eight cadets are accommodated in a room and rooms are wide, clean, white washed and airy.

FOODS, MESS AND SERVING STAFF:

Almost every type of food is present in the weekly menu of meals for the cadets. Management of Cadet College Fateh Jang is very keen and sharp to notice the quality of the food. Freshly slaughtered chicken and beef is cooked with an appropriate percentage of ingredients. Fresh vegetables, fruits and milk are carried on daily basis. Maize, Rice, Yogurt, Biryani, korma, steam Roast, chicken Haleem and kofta, sweet dishes in lunch and dinner whereas boiled and marinated eggs, jam, butter, bread, parathas, channay etc. are given in breakfast. All the dishes are cooked in certain advanced quality and taste that cadets, management and admin officers, teaching and training staff, College labor, guards and gardeners, all eat the same food. Cadets are addressed to follow certain rules, manners and etiquettes of table dining which are observed in the officers' mess of Army, Navy and Air Force academies and institutions.

THE COLLEGE AUDITORIUM AND CONTENTS OF ITS UTILIZATION:

An extended auditorium is built for the cadets. The auditorium has the capacity to accommodate near thousand people including a wide and large stage in front. It is utilized for movie night of the cadets at Saturday night when all the three sixty cadets sit in the auditorium to watch movie. The cadets celebrate social night in the auditorium when the cadets of assigned house show their natural talents. Cadets are given complete opportunity to come on the stage, sing a song or Naat or Hamd, they act different plays, dramas and funny skits and speeches on the topic they want. Addresses by the chief guests, co-curricular activities and inter house competitions are held in this auditorium. Cadets are addressed by the principal, chairman or the chief guests in this auditorium.

The ceremonial, national and religious days of importance are celebrated in the auditorium such as Quaid's day, 23rd March Pakistan day and 12th Rabi ul Awwal. Important instructions, rules and regulations or reformed SOPs constituted by the government related to educational institutions are also demonstrated to the cadets in this auditorium.

SAHIBZADA ANWAR AHMED SPORTS COMPLEX: The sports complex building is found to be a monument for the visitors and people. This sports complex is constructed in memory and honor of Mr. Sahibzada Anwar Ahmed, one of the pioneer member of College board of governors. The sports complex of the cadets is 25 feet high, 84 feet wide and 90 feet long in size rectangular shape. The undercover constructed sports complex accommodates a volley ball court, two badminton courts, couple of table tennis, carrom board spots, chess playing corners, ludo playing stops and a beautifully designed basketball court in there. Variety of machinery for the physical fitness and body building is also placed in the attached hall in the sports complex.

CUSTOM OF REWARDS, PRIZES AND APPRECIATION:

This is the beautiful custom of our College to grant the certificates and rewards, appreciation letter and gifts for the cadets and teams who display or reach at an achievement. The reason behind this custom is to motivate and encourage the individual and collective efforts and team work by cadets.

MEDICAL FACILITIES FOR CADETS:

There is a well managed sick bay in the College having a proper Medical officer, Medical room, medicines and inspections required and patient ward with several bed for sick cadets. Doctor remains here in the College to check all the major and minor diseases.

COLLEGE MASJID - MASJID KHAIR UL BASHAR (PBUH):

A beautiful white tiled Masjid is also built inside the College. It has capacity to accommodate more than five hundred people having extra space at exterior. We are blessed with the Islamiyat teacher who owns the degree of Aalim and hafiz Mashallah. All the cadets are regulated to offer five times prayer irrespective to sectarianism.

COLLEGE CANTEN:

The College canteen is located at next to sick bay and basketball courts. The pack nuts, chips, snacks, juices, biscuits, milk, bread etc. are available for the cadet on College canteen. Cadets may sit on the chairs, benches and grassy field for eating. They are regulated to put the trash in dustbins. Parents may also sit with their children for meeting on weekends.

ARTISTIC AND CREATIVE SOCIETY OF THE COLLEGE:

Our junior cadets are encouraged to practice their skills, talents and efficiencies such as they have ability to write and compose some topic, modify and decorate something new, paint and sketch the shape of their creative idea and to display their imaginative and idealistic approaches. The best cadets among these artists are assembled into a society which is entitled as College artistic and creative society. These artist cadets have shown ostentatious designs, shapes, decorations and pictorial presentation. The College Management has recommended to upgrade art and creative society which shall involve the senior cadets and teachers to produce and display any craft or machinery with collaborative intelligence and efforts.

OUTDOOR ACTIVITIES, VISITS AND EDUCATIONAL TRIPS OF THE CADETS:

Healthy activities like mountain hiking, cross country are also held for cadets. The visits to proposed or applicated places like GHQ, NHQ and Air Force museums, Kakul and Risaalpur academies of cadets and educational trips are arranged for cadets to go in different cities and remarkable places. The cadets are directed to observe the trips and visits properly and then they write the journey and visits by their experience. All these aspects are objectified for informative entertainment of the cadets.

PROTECTION AND SECURITY SYSTEM OF THE COLLEGE:

There is one main gate of the College and five other spying spots for securing and protecting all sides exterior of the College. There are

twelve guards who work in duty shifts and all are provided the protector machines, rifles MP3 and automatic repeaters.

PREVENTIVE MEASUREMENTS ARRANGED DURING A DECLARED ALARMING SITUATION:

The government orders and SOPs have always been followed by the College Management with placement of required preventive sources. The management of the College followed the SOPs by the government during the endangering situation of possible terrorist activities in Pakistan during 2008-2011. Since 2010, Pakistan has been experiencing the epidemic of d3ngue fever that caused near 20000 cases in Pakistan and more than 250 deaths. The College Management arranged the sprays, cleaners and gardeners for keeping entire environment of the College very clean. Similarly, College Management remained very serious and concerned to follow the orders and SOPs declared by the government for preventing and caring the cadets from influenza, malaria and corona virus diseases. Alhamdulillah we did not receive a single student with a single sign of corona and each member of the College remained healthy and safe.

CONTENTMENT OF THE PARENTS AND THEIR FEEDBACK:

The entire board of governors and the guardian bodies of Cadet College Fateh Jang always ensure the contentment of the parents of cadet. Parents are left with no restriction to visit the College and clarify their reservations and suspiciousness. They can see and visit every place and corner of the College that is shown to them in the prospectus and website of the College. Parents may certainly visit the rooms and houses, grounds and gardens, swimming pool, mess, auditorium, sports complex, admin, accounts and academic blocks. The College Management appreciates the feedback of the parents and engages all its sources in responding to feedbacks and suggestion.

TRAINING, MOTIVATION AND SUBSISTENCE TO CADETS FOR INITIAL TEST AND ISSB COMMISSION: IN PAKISTAN FORCES:

The administration of Cadet College Fateh Jang remains connected with the notifications of services as commission officer in Pakistan armed forces. The attainment and submission of the application forms for initial tests, physical exam and interviews, are supervised by administration to check the documentational corrections. Our faculty members help cadets to prepare different subjects through different guiding notes and books. Our physical trainers PTIs trains and check the physical fitness and stamina of the cadets for physicals exams of the
